## PROJECT REQUEST FORM 2014

The members of First Baptist Church Bryan are going into the BCS community during August 24 - October 4, 2014, to do service projects for individuals and organizations in the area. Projects include simple home repairs, crafts projects, organizing, devotionals and fellowship with special needs facilities, lawn maintenance and as well as many other activities. This form must be turned into FBCB Church Office by **August 15, 2014** so that projects might be completed by October 4, 2014. But, projects will continue to be received, evaluated and completed after October 4.

*Firstserve is hands on community service that brings Church members into direct fellowship with those having needs. This service will create opportunities to model Christ's love and share the Gospel, with the goal of bringing those people into a fellowship with Christ.*
